## Kyla's Job Status:

Saying goodbye is never easy; whether you've been with a family for 8 months or 8 years. I was told yesterday that my job would be ending with the Hollingsworths. Laura is being transferred to Nashville, TN. They are telling the kids tonight. The pick up at school tomorrow will be tough for all of us. We were looking forward to spending the summer together with no homework! There will be a lot of tears shared by all, but I will do whatever I can to help the transition move smoothly. This family has been nothing but outstanding to work for and I can only hope I find another one just like them.
