News from the Northwest

Jaynane and Nancy joined Raynee, Cody and Jackson for a road trip adventure. We left Sandpoint and traveled to Great Falls, MT. You guessed it!! We got our church pews from Hartland Church. Many tears and laughter were present as we shared how only Bob could meet a man for a short time, convince him to take the pews closer to Seattle via a fishing boat to Great Falls, MT. The pews are now in Sandpoint at Mac's waiting for that final journey to Washington. Thanks, Bob! We are going to love them.

Just wanted to let you all know how special I thought our family celebration was handled. Yes, it was an awful shock to realize that Brother Bob's life had ended very abruptly. Still does not seem real to me. We do know that he was surrounded by lots of love, friends and family, prayers, laughter and tears. A special thanks to Denise and Keith for being such wonderful hosts to all of the spontaneous gatherings. It was wonderful and very much appreciated. To my siblings who were looking forward to our Oregon get-together, hopefully we can still make that happen at a later date. Enjoy your Thanksgiving! We do have much to be thankful for-Love, Nancy

This newsletter is dedicated to the second son born to Ralph & Ruth Davis, Gerald Robert, who was the best Dad to the 4K's, sadly taken away from us too soon on October 9, 2013.

Miss you so much. Love you, Dad.

Thank you to all of those that came to be with us and held our hand during this devastating time. Those that couldn't be with us we heard your prayers. Our family is truly amazing. I don't think Dad realized how many people loved him. We're still receiving cards and donations. He would be so honored.
