10.14: Kyla & the girls had lunch with Dick & Judy when they were in Des Moines for a meeting.

**Update on Judy's Surgery (Posted on Facebook 10.23):** Judy came home from her foot surgery at noon today. According to doctor and surgery staff everything went great. She hasn't had any pain yet ... just a cramp in the immobile foot - about which she could do nothing but wait. So six weeks from today she can put weight on the foot again. She is ensconced in the master bedroom with a knee scooter, ice, water, medication, inter net etc. But if I ever find out which one of you sent her that little silver bell!!! Thanks for your good thoughts.  
Dick
