Jim, Brian, Justin & Friend

Jim, Fran, Benjamin, Keith & Denise having dinner in Ames. Benjamin, is Fran's grandson, and in his second year at Iowa State studying software engineering. (continued...)

The weather wasn't very cooperative that day... earlier that day this 70-car pileup happened on I-35 in Ames. It seems a lot of it was Super Bowl traffic coming from Minneapolis. Jim & Fran were lucky they just missed it.

Cody & Jackson Turn 8!

Raynee, myself and the boys are having a blast in Mexico. The boys celebrated their eighth birthday. Raynee was kiteboarding and we decided to go to the barbershop. Trust me, it's a temporary thing but they're having fun. It's become quite a tradition as the boys celebrated seven of their eight birthdays here in Baja. I hope this find everyone well and warm. KAINE CELEBRATES #11

On February 10th Brian, Brad, Nicole, Kevin, Mandy, Andrew, Courtney, Adam, Mike, Ali, Madi & Michael (Madi's boyfriend), left for Tanzania to climb Mount Kilimanjaro, the highest peak in Africa. On February 18th, they successfully summited Uhuru Peak at 19,341 ft. Below are a few of the pictures that showcase their courage and determination of their unforgettable adventure. So sorry that Lizette wasn't able to go with them due to an injury. We are all so proud of you!

ALOHA, PICKERINGS

Jaynane and Nancy are spending a couple of weeks in AZ. (Trying to get warm and dry after their wet winter.) They will be staying with Betty Cox and who knows what trouble they can find. They will also be connecting with Bev and Jim and others throughout their stay. Nancy is getting a 2 week break from her cancer treatment so she is more than ready to get away! Neal will be tending the home front and Jake. Spring cannot be far away – Happy March!
