Trying to survive the Polar Vortex! We had mild temps back in November and December and now we're definitely making up for it! We've had 3-4 snow days (I've lost count) and numerous late starts. We set record lows this week with -50 degree wind chills! I don't think I ever remember it being this cold. Oh, and Sunday it's going to be 56°! Gotta love Iowa! Hope you're all keeping warm.

Kolin & Morgan's family is growing by four paws!

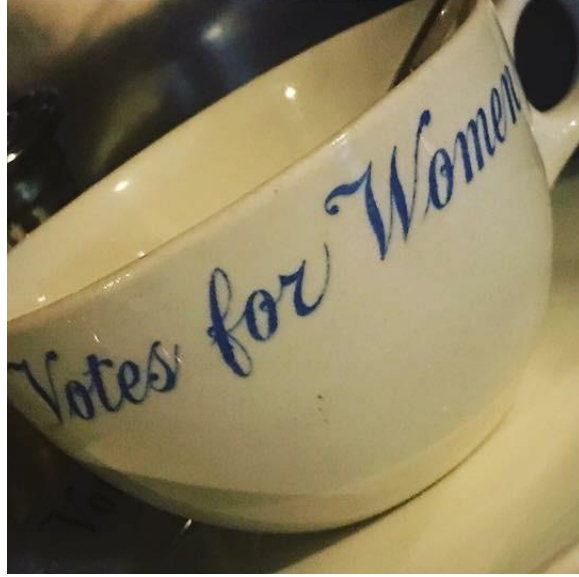

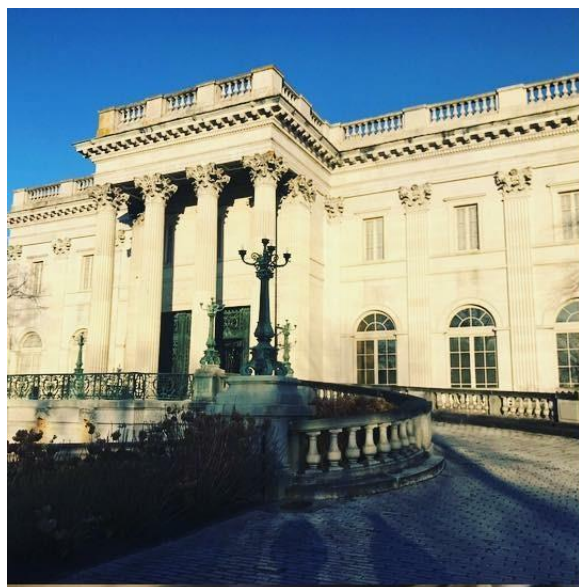

Look at all those smiles! We will keep reminding Max she's a sister, not a girlfriend! Gia's story is hard to hear... She has scars from the "breeding" (rape) stand her breeder kept her in. Then threw her in a shelter once he was done with her. Cedar Valley Pit Bull Rescue saved her before being euthanized. They do amazing things. So happy we found her! -Morgan
