I had to capture this feeling!! I can't stop smiling! Today was such an amazing day and for very small but very meaningful reasons. I can't remember feeling this happy... EVER. I am so close to the finish line with my life coaching certification, I am making strides on creating a career that lights me up and I got to witness real change in my clients thinking process and her insights were crazy good. Today was not about monumental shifts but slight adjustments I've made in the last year that have brought me to this exact moment and I have nothing but gratitude for the difficult change, people I've met and those who continue to support me. Cheers to an F-ING great year ahead. Party on Wayne!

Congratulations!
