*Memories Of A Special Step-Dad*

*There are no words to express  
What you meant to me  
And for being the Dad  
You did not have to be  
A beautiful person  
With a wonderful heart  
And I miss you so much  
Since we had to part  
We may have not been  
Related by blood  
But you loved me more  
Than anyone could  
I'll treasure the memories  
And I'll not feel sad  
Because I was so lucky  
To have the perfect Step-Dad*

Cheers  
to a  
Healthy  
New  
Year!

This January 2021 newsletter is dedicated to all the healthcare workers and the people on the front lines that worked everyday tirelessly with grace and compassion.

You persevered in the toughest of times and showed us all how to be brave and courageous.

2020

Goodbye 2020.

The year was challenging and unforgettable to say the least. Quarantining and sheltering in place and staying away from our loved ones. No hugs, no kisses, no handshakes. Masks, social distancing and washing our hands (a lot) became our new normal. Drive-by birthday parades, virtual celebrations, lots of FaceTime and Zoom reunions.

No church services, school, dining out, sports, movies, concerts, travel bans... Working from home became a new normal for many. We lost our jobs, our businesses and even our loved ones. My hope is that all of you are well and were able to stay safe this holiday season. Wishing everyone a happy and healthy New Year. Cheers to a better 2021!

Love, Ky ❤️  
XOXO
