## 11 Months

Same chair different house. Our dapper boy is 11 months today! I can't believe a month from now, we will have a 1 year old. Tedy loves to chase the cats, watch Kratos play, open every cabinet in the kitchen, and his new daycare. The past few days, he's had some teeth trying to pop out, so it's been very exhausting for mom and dad 😊

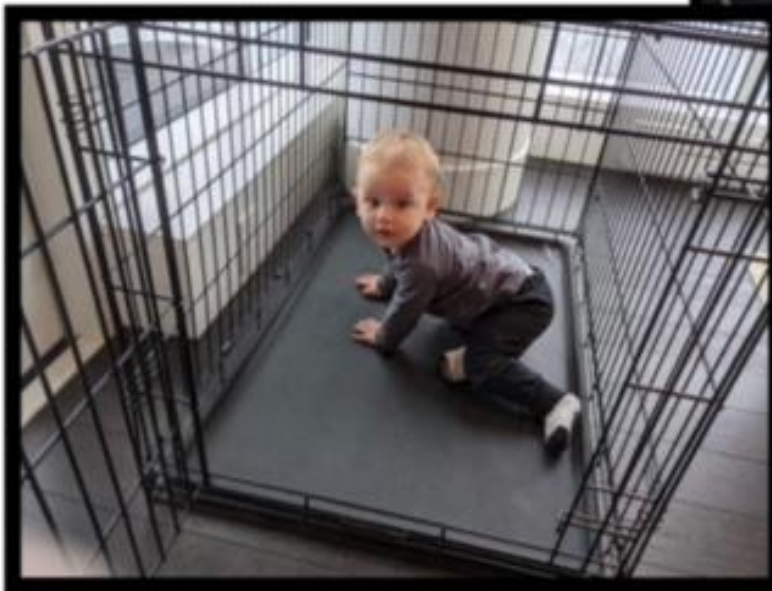

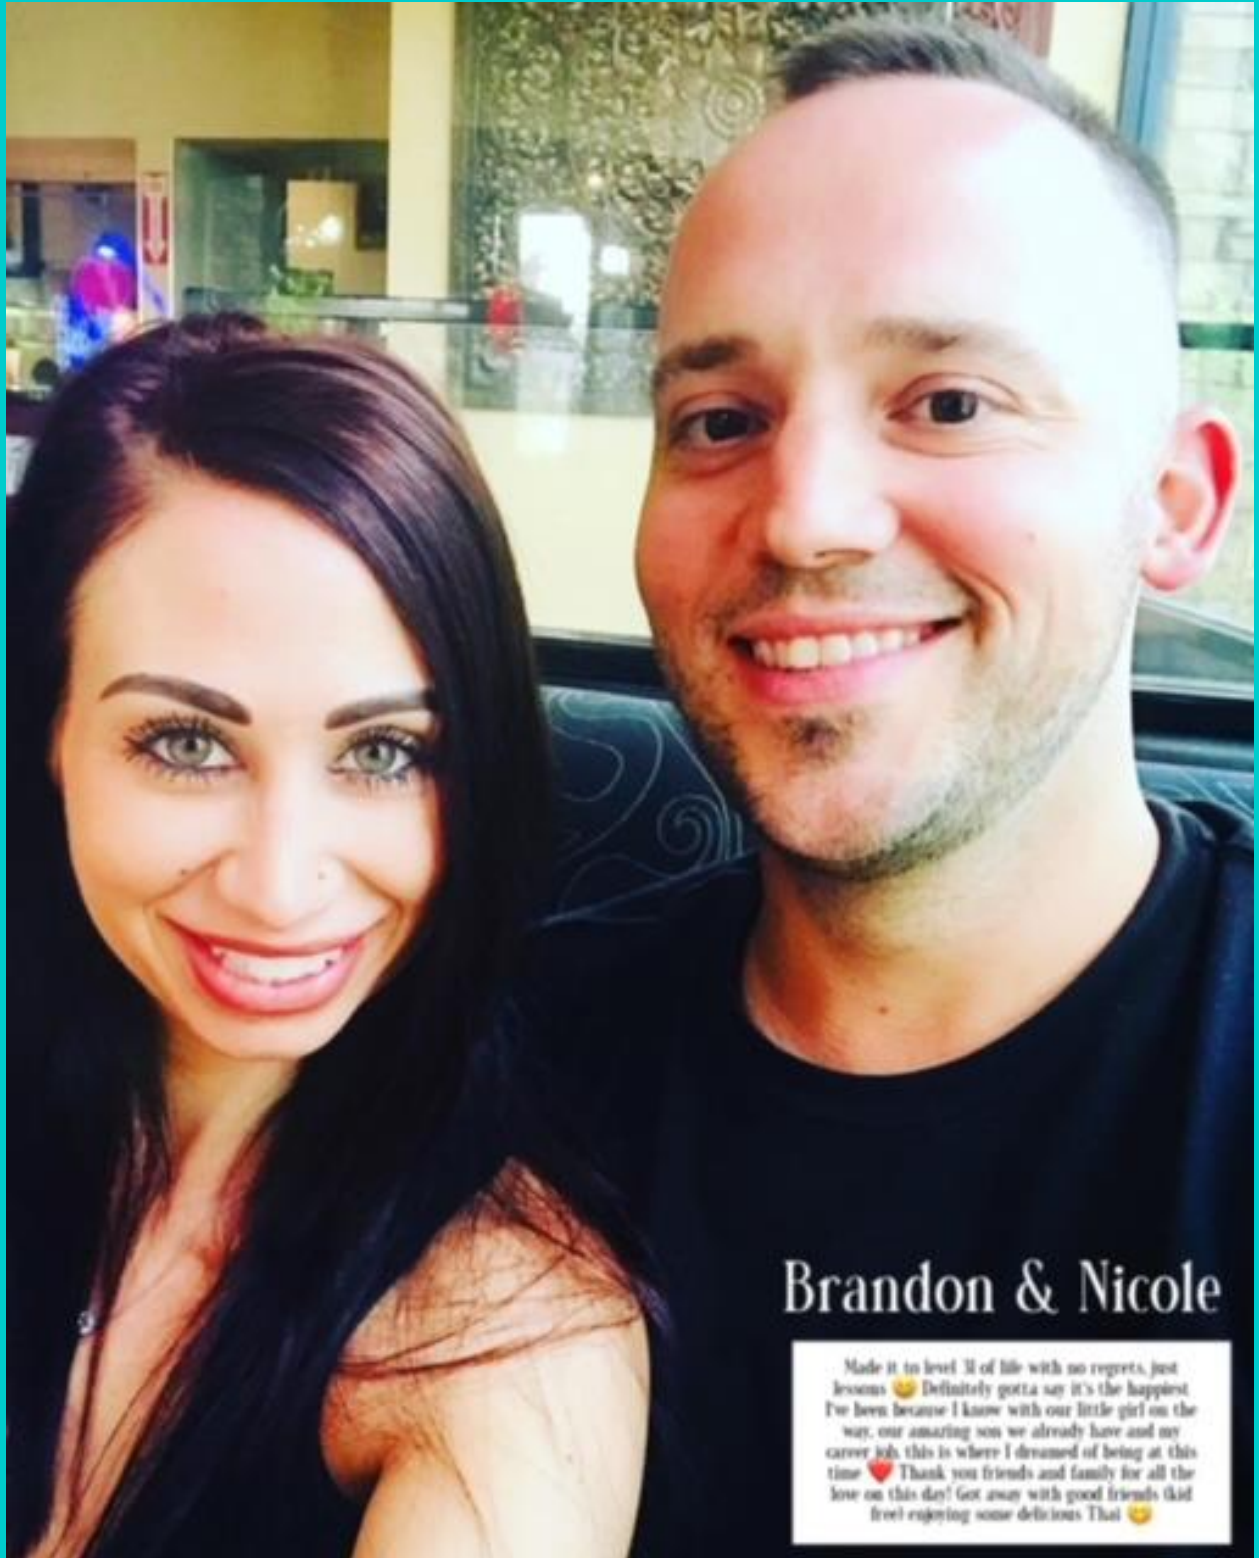

I WANT  
YOU... To  
give me  
more sour  
cream,  
please!

Staying at dad's  
condo while we  
wait to close on the  
new house and this  
is Tedy's favorite  
spot 🤔🤔🤔

## Brandon & Nicole

Made it to level 31 of life with no regrets, just lessons 🧡 Definitely gotta say it's the happiest I've been because I know with our little girl on the way, our amazing son we already have and my career job this is where I dreamed of being at this time ❤️ Thank you friends and family for all the love on this day! Got away with good friends (kid free) enjoying some delicious Thai 🍴
