HAPPY BIRTHDAY!

Kraig took this photo. I sent to Zach to share with the boys. I said just a normal Tuesday at Sam's house. This was their response:

Jax goes "is this Sam?" And Tatum says "that's Spiderman?" 😂

love.

Headed to High School

Emerson was so proud of picking out her outfit for mix-match day at school but unfortunately woke-up with the stomach virus. She still insisted on dressing up though so I could get some pictures, then she passed out on the couch. She's something!

28 Weeks Pregnant

If you read through the recent Davis Book, you may be wondering what happened to Jacob Davis, well, that's not me anymore, I have been living as Jacqyline Frost for over 2 and a half years now, and I finally got around to making it official and letting people know! I am still with Chloe, and we're very happy together! Hope you all are doing well.

At my grandmother's urging, I've also attached a picture to include.
