### A Great Christmas Story...

At the beginning of Dec. while at the Mint 400 in Las Vegas, my truck was ransacked, and I didn't know what was taken. 2 weeks ago I get a call from a homeless man saying he found this blue bag and some sort of straps laying on the sidewalk in front of the mission. My info was on the receipt in the side pouch since I had recently purchased them. This homeless guy ( Sean) took it upon himself to go to the Hotel and make sure they got back to me!! Thank you Sean, I won't forget it. Don't judge a book by its cover! -Scott McLean

"You guys, after 16 months I am 100% done nursing 🥰 Grace can now go to bed and go back to bed without nursing. Her dad can now put her to bed with no issue."

I can't even explain to you how amazing this feels, to no longer be the default parent when it comes to these things, 16 months! If you know, you know. 🥰  
So proud of her."
