DAVISES DONATE TO NEVADA HIGH SCHOOL FFA

Keith & Denise Davis donated funds on Monday, Dec. 20, for Nevada FFA to purchase a new HVLP paint gun for tractor project work, a new steam cleaner hose reel, and a new Canon camera.

Nevada FFA members restore and repaint several tractors annually for the county and state fair competition. A hose reel will make putting the steam cleaner hose back much easier than manually looping the hose back on the hanger peg, with a reel, the hose will be able to crank up, and not worry about twisting. Nevada FFA has activities on a regular basis, so a second camera will really help getting photos of the members and their activities.

The Davises also donated four years ago when Bob Davis, Keith's father, passed away. Bob Davis was a lifelong successful Nevada area farmer. Bob donated a Ford pickup to Nevada FFA in the fall of 2012, which was sold at a DOT auction.

"This is very generous of Keith & Denise to donate like this. We sure appreciate their generosity," said Kevin Cooper, Nevada High School agriculture education instructor and FFA advisor.
