## Olive James Forsyth

Olive James Forsyth was born 8/7/2022 at 1:51pm. At 6 lbs 9 oz and a little over 19 inches long, her sweet littleness has already made a huge impact on our lives in the best way. Ali was incredible for her first and has already proven to be an excellent loving mother. Both Olive and Ali are doing great, and we are excited to start our new family 😊 We look forward to the adventures our new life will bring. P.S. Boone is obsessed with Olive...in a good way. Big also loves his new sister. — Jimmy

NICOLE & TEDY

I can't believe that our baby girl will be with us any day now. @bradley.holub and I have been soaking up every moment with Tedy before we become a family of 4. The transition will definitely be challenging at first, but I can't wait for all the new memories that we will create together!
