## BRANDON & NICOLE

Surprise date night from my babe-  
Train ride through the river.

My furry childhood best friend of 15 years is no longer in pain tonight ❤️ Gomez was many things: intensely affectionate, a rhenky unit, and at times, an absolute pain in the ass leaving a rippling wake of destruction in his path. And when he was done being a menace, I could always rely on him for hours of snuggles and sandpaper kisses. As a tuxedo cat, he was also always dressed to the nines and ready for any occasion. I'll miss my sweet and spicy friend ❤️
