This is Chewie's first Christmas tree... it cost about \$4,000.... He ate a peach pit (we have no idea how because I haven't bought peaches) but we have a healthy, happy Chewie with newly minted pet insurance and a pretty cute upcycled Christmas tree. Happy holidays from all of us over here 🤔 🐕 🐕

MERRY
CHRISTMAS

After over 4 long years of struggling with infertility, we are so excited to announce that we are **FINALLY** expecting a mini Mouse of our own! We are very, very happy and very cautiously optimistic at the same time! Can't wait to welcome this bundle of joy into our lives this summer!

We missed our time in Loon with family as Jim tested positive for Covid. A few days later I tested positive. Has been a quiet holiday. - Fran
