We're so thankful that as an Orthopedic Surgeon, Daddy knows exactly what to do. And keeps it fun! Emerson smashed her finger in my car door and broke her right ring finger. It's always an adventure with her! Our WILD CHILD! —Veronica

Celebrating with Ryan today because she was extra excited to get her cast off!! She personally gave a heads up to all of her teachers and friends that she wouldn't be at school today because we planned a girl's day just for this special occasion. Her thoughts- she wants to go swimming and to the trampoline park 🎈🎪 but today we're investing ourselves into crafts and giving her a little makeover at home with some pampering. All 4 toes have healed well, so no follow up appointments needed. Peep Auntie Ky Ky's photo bomb on her crocs! 💛 —Logan
