# Grand Opening

From our family to yours, a heartfelt THANK YOU for those of you who were able to join us at our grand opening celebration! Your presence made the day truly memorable, and we're grateful for your support as we embark on this exciting journey. It was such a joy to share our passion for learning through play with you all. 🌟 We'd like to introduce you to Austin Davis, the hidden hero behind the scenes at Full Spectrum Learn & Play! 🛠️ From building furniture to leveling photos and laminating PECS pieces, Austin does it all with dedication and a smile. 💪 Our facility wouldn't be the same without his hard work and attention to detail. Join us in giving a big shoutout to Austin for all that he does to make our space extraordinary! 🎉

## **ATHLETE OF THE WEEK**

### **ELISE PICKERING- TF**

This sophomore scooter is making April special, finishing Top 7 in the .100, 200, & 400 @ the Birger Solberg Invite on 4/6/24! At home on 4/10 vs. Anacortes & Lakewood she set a Lifetime PR in the 100m at 13.14! Pick also contributes heavily in the relays and is a reliable Bulldog in the classroom - Keep Attacking the Front Elise!

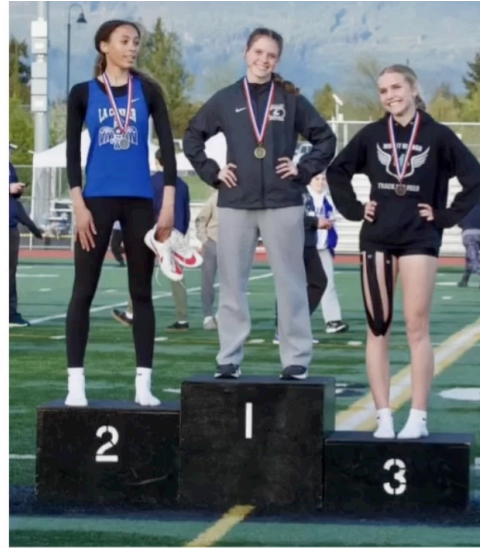

**BULLDOG BUILT**

Discipline - Teamwork- Excellence

So Elise got an honor today. She's the first track athlete to get it this year.

—Jill

# ELISE

Elise and teammates broke their own school record from last year and the County Records in both the 4x100 & 4x200 relays, as well as 2 more visits to the podium for her individual races at this year's Skagit County Track meet. She moves on to post season starting next week. –Jill

# COLIN

It's race day! Another trip down the Baja Peninsula running the Norra Mexican 1000. This time in a Speed UTV car #3524. If any of you care to follow along tune into Norra.com this race is quite historic and has been running since 1967! I'm beyond grateful and blessed to know such great guys that work their tails off to make this all possible! This could not begin to be accomplished without the INCREDIBLE generosity of Bob and John Spar, I love you guys!
